

ReShape Lifesciences® To Delay Year Ended December 31, 2022 Earnings Release and Conference Call

March 29, 2023

SAN CLEMENTE, Calif., March 28, 2023 (GLOBE NEWSWIRE) -- [ReShape Lifesciences Inc. \(Nasdaq: RSLS\)](#), the premier physician-led weight loss and metabolic health-solutions company, today announced that it will delay its year ended December 31, 2022 earnings release and conference call, previously scheduled for 8:00 am ET on March 29, 2022. The delay is required to allow the company additional time to complete its year end audited financial information.

ReShape Lifesciences will issue a press release announcing a new date and time of the postponed earnings release and conference call upon completion of the year end audited financial information.

About ReShape Lifesciences®

ReShape Lifesciences® is America's premier weight loss and metabolic health-solutions company, offering an integrated portfolio of proven products and services that manage and treat obesity and metabolic disease. The FDA-approved Lap-Band® System provides minimally invasive, long-term treatment of obesity and is an alternative to more invasive surgical stapling procedures such as the gastric bypass or sleeve gastrectomy. ReShapeCare™ is a virtual weight-management program that supports lifestyle changes for all weight loss patients led by board-certified health coaches to help them keep the weight off over time. The recently launched ReShape Marketplace™ is an online collection of quality wellness products curated for all consumers to help them achieve their health goals. The investigational Diabetes Bloc-Stim Neuromodulation™ (DBSN™) system utilizes a proprietary vagus nerve block and stimulation technology platform for the treatment of Type 2 diabetes and metabolic disorders. The Obalon® balloon technology is a non-surgical, swallowable, gas-filled intra-gastric balloon that is designed to provide long-lasting weight loss.
